

Coin Battery Standards 2022 - INFORMATION NOTICE

Coin Battery Range

- All Coin Batteries sold by SIEPER Group are now confirmed Battery Safety Compliant.
- Both Strip packaged & Hang Sell packaged Coin Batteries are now sold with new compliant packaging and have the required warnings on both the packaging & the battery (as per example images).

BSC Logo

- Only Remotes & Coin Batteries that carry the BSC logo have been confirmed compliant to the new Coin Battery Laws.
- The BSC Logo can be seen in the product image on our Website & is also referenced in the Product Specification
